

## About Barbara Arbo

Known as the "Walking Amplified Bible," Barbara Arbo, anointed author and speaker, delivers a breath of fresh air through lively prophetic exhortation and her engaging ability to move with the Holy Spirit.

Joyously meeting needs and warmly infusing lives with the power of God's Presence, Barbara brings the Word of God alive as she relates it to achieving the victorious life today.

Wife to Steve and mother of two sons, Barbara has traveled extensively for almost thirty years, preaching the Gospel throughout the USA, in Canada, Europe, and the Caribbean.
